November 4, 2009

On November 4, 2009, the GWOC held its monthly executive meeting. During the meeting conference expansion was officially acted upon. As such, it is with great pleasure that I share with you that Greenville and West Carrollton's request for membership have been unanimously accepted. Membership will begin in the Fall of 2010 for select sports. More details regarding scheduling will be shared following an Athletic Director's meeting to be held next week.

The GWOC is extremely excited about Greenville and West Carrollton's membership into the GWOC as their academics and athletic characteristics add to the conference's purpose and mission. Both schools fit the GWOC geographic reach and share qualities the conference seeks in membership.

For additional details please feel free to contact me.

Sincerely,
